# About Realsta

---

**Headquarter:** Gurugram, Haryana  
**Founded:** 2012

Realsta Infratech Pvt. Ltd. is a leading real estate consultancy in Gurgaon, renowned for its data-driven approach and deep expertise as a real estate advisory in Gurgaon and its micro-markets. We oversee the entire asset lifecycle, encompassing corporate leasing, asset management, investment advisory, smart fully managed workspaces, interior design, and an in-house monetization ecosystem, all under one roof.

This integrated ecosystem optimizes returns and mitigates risk for a distinguished clientele, including UHNIs, NRIs, and global brands such as Vistara and Sebia.

14+ Years

# About the Founder

---

Dishant Malik is the Founder and CEO of Realsta Infratech Pvt. Ltd., the leading real estate advisory firm based in Gurugram. With over 14 years of industry experience, he has successfully advised and facilitated real estate strategies for numerous multinational corporations and high-net-worth individuals. He is known for his strategic thinking, client-first approach, and in-depth market expertise.

Dishant has positioned Realsta as a trusted name in commercial real estate. His vision continues to shape the company's growth, driving innovative, transparent, and high-impact solutions in a rapidly evolving market.

# Our Goals

---

## Vision

To be globally synonymous with Grade-A commercial real estate investment.

## Mission

Deliver exceptional long-term value to clients by identifying, engineering and executing the highest yield opportunities in Grade-A commercial assets.

# Growing steadily

---

Today, Realsta has become a trusted name in real estate, with our expertise in investing, leasing, and value creation serving MNCs and UHNIs.

## 2012

### REALSTA WAS FOUNDED

---

Realsta began with a clear vision: to establish a tech-driven, client-centric real estate advisory firm that provides comprehensive solutions under one roof.

## 2015

### CORPORATE LEASING
